

NURSING ROUNDTABLE

Thursday, February 11, 2010
3:00 – 5:00 PM
CARECO Building
8555 16th Street, Suite 240
Silver Spring, MD 20910
(Free parking available)

FEATURED SPEAKER

THOMAS CALHOUN, M.D.
Physician Advisor, Providence Hospital

presents:

“Providing Nutritional Support for Individuals with Intellectual and other Developmental Disabilities”

This course will review the physiology of nutrition and the patho-physiology of malnutrition; define common terms and classifications of the individuals, and refresh nurses’ knowledge of the tools to provide Enteral and Parenteral Nutrition and what is to be done when individuals with intellectual and other developmental disabilities will not eat, cannot eat, should not eat, or if they are eating, will not eat enough.

Nursing Continuing Education credits: 2 contact hours

Register via email at mbc44@georgetown.edu or contact (202) 687-8544.
